THE MINISTER OF DEFENCE (SHRI PRANAB MUKHERJEE): (a) to (g) The soldiers deployed in the Ladakh region are dependent on the Indian Oil Corporation (IOC) for supplies of petrol, diesel and kerosene which are delivered from Ambala to Leh in Bulk Petroleum Lorries (BPLs) by the IOC.

12 BPLs were dispatched from the IOC Depot at Ambala on 11th July, 2005. These lorries failed to reach the Field petroleum Depot, Leh on 16th July, 2005. A search for the missing lorries was organized by the Army authorities on 17th July, 2005 and 7 of the 12 BPLs were spotted in the Leh market. Their quality and quantity were checked by an independent Board of officers and it was discovered that all the 7 BPLs contained water instead of the required petroleum product. An FIR has been lodged with the Civil Police by the Army authorities. The drivers of these vehicles are in custody of the Civil Police, who are investigating the matter.

A court of Inquiry has been ordered by the Army authorities which is in progress. On receipt of the findings of the Court of Inquiry, necessary action will be taken.
